I believe that even  
the smallest act of compassion  
can have a large impact.

We believe that every moment matters. Maybe that's why so many families believe in us when it comes to choosing a hospice provider. Ask us about volunteer opportunities. Provide the gift of companionship and a listening ear to a family facing a life-limiting illness. **For more information or to receive our free DVD, "Hospice and Your Loved One," call 601-983-3193.**
